Bangladesh University of Textiles

Department of Fabric Engineering

FE 254-0723: Fabric Manufacturing (Practical)

Department: _____ Date: _____

Name: _____

ID: _____

Exp. No: 01 Name of the Experiment: Introduction and Study on the Layout Plan of Weaving and knitting Shed.

Sign: _____

Key words: *layout plan, significance of layout, classification of layout, direction, weaving shed layout, relative measurements*

1. List of Machines, their Input and Output (Sl. Number According to the Drawn Layout Plan)

Sl.	Machine Name	Input	Output
